

## Instructions for MDS Status Form

The purpose of this form is to update the status of a subject who was previously included in the MDS, but has not had a UDS visit. Only use this form if the status of the subject has changed since the 2006 final MDS data call.

	Yes	No
1. Is the subject deceased? (if YES, answer #1a and #1b, then skip to #3)	<input type="checkbox"/> 1	<input type="checkbox"/> 0
1a. If yes, date of death: ___ / ___ / _____		
If the subject has died, check 'yes' and record the date of death.		
1b. If yes, was autopsy performed?	<input type="checkbox"/> 1	<input type="checkbox"/> 0
<p>Check 'yes' if an autopsy was performed at your ADC or an affiliated ADC, such that neuropathological diagnosis, neuropathological features, and tissue specimens are/will be directly available to your ADC. Please ensure that the NACC Neuropathology Data Form is completed in a timely fashion.</p> <p>Check 'no' if an autopsy was performed at a non-ADC site and you do not have specific information on neuropathological examination (gross and microscopic) or direct access to tissue specimens.</p> <p>If no autopsy was performed or you do not know whether an autopsy was performed, check 'no'.</p>		
2. Has the subject discontinued from your ADC? (if NO, skip to #3)	<input type="checkbox"/> 1	<input type="checkbox"/> 0
2a. If yes, date discontinued: ___ / ___ / _____		
If the subject has discontinued participation as an enrollee in the ADC, check 'yes' and record the date of occurrence. A subject who is being followed for autopsy only is <u>not</u> considered discontinued.
