

CLINICAL TASK FORCE REPORT

John C. Morris, MD

Washington University in St. Louis

TIMELINE

- Draft UDS Data Forms and Guidebook sent to ADC Directors in April 2005
- Pilot the Forms for field testing and ease of use during May-June, 2005
- Final Data Forms and Guidebook to be distributed to all ADCs in summer, 2005
- Implementation date for all ADCs:
9/1/05

PROPOSAL

- Administer the UDS to all newly enrolled AND previously enrolled participants at their next scheduled follow-up visit (control, MCI, AD) beginning 9/1/05.
 - “Old” participants previously submitted to the MDS and now followed in the UDS will have the same (or linked) ID number to avoid duplication.
 - The UDS will not be retrospective - visits prior to 9/1/05 will not be “converted” to UDS.
