

NACC Neuropathology Form

Thomas J. Montine, MD, PhD
Alvord Professor and Chair
Department of Pathology
University of Washington

Background

+ **November 2010**

- + NIA-AA formed a committee to revise consensus guidelines for neuropathologic assessment of AD and related illnesses

+ **2011**

- + Draft presented at ADC Director's meeting in spring
- + Revised draft presented at ICAD in Paris
- + Revised draft presented at ADC Director's meeting in fall
- + Submitted for publication in November

+ **January 2012**

- + Consensus recommendations published

Align NACC NP Form with NIA-AA

+ NACC NP Committee

- + Julie Schneider, Peter Nelson, Tom Montine
- + Included Eileen Bigio for expertise and align with FTLD efforts

+ Timeline

- + Started in March 2012 (Conference calls, emails), Chicago in May
- + Draft to all NP Core Directors in early summer
- + Revised draft to all NP Core Directors in September
- + Tonight's opportunity for comment
- + Email any further suggestions to Committee by 31 October
- + Final version to NACC in November 2012
