

Neuropathology Core Vision for the future

Nina Silverberg, Ph.D

Director, Alzheimer's Disease Centers Program, NIA

Presented at Neuropath Core Meeting, October 19, 2018, Atlanta, GA

Steering committee

Model for other steering committees:

- Worked on many ideas some from committee, some from recommendations, some from NIA/NIH
-
- Major accomplishments
 - CLIA disclaimer
 - DS autopsy
 - Transmissibility meeting
 - Resource Locator Survey and Tool
 - TDP-43 meeting
 - Initial/ongoing discussions:
 - NBB coordination/non-ADC autopsies
 - Training – f/u metrics for success; future needs
 - Retrospective npath specimen analysis
 - Digital neuropath

NACC Neuropathology and Biospecimen Resource Locator Tool

- Determine which ADCs have biospecimens that may be available for sharing
- Demo during NACC session, Sat. 1:30pm
