# Spring Survey

---

- Current meeting designed from feedback: #1: Community Engagement with African Americans
- 18 ADRCs have a recruitment registry
- Majority (31%) of our clinical trials are sponsored by industry
- Majority of funding (41%) for clinical trial recruitment is from ADRCs
- Most of the funding is used for staff salaries (25%), followed closely by community engagement and outreach activities (15% each)
- **Most of you want more collaboration (52%), specifically, participate in quarterly videoconferencing with other ORE Core Leaders (30%)**
