Imaging Core Steering Committee Activities

Monthly meetings (with NIA and NACC)

Agenda for the Spring Imaging Core Session

Provide feedback to NACC, NIA, and Core leaders to improve interactions among centers and the ADRC program as a whole

Collaborate with SCAN and NACC

Set 1-3 annual goals

Historical & Present Goals

- 2020, 2021, 2022
 - Understand site needs and barriers related to imaging
 - Support SCAN start up & integration
- 2023-2024
 - Coordinate with SCAN/NACC on intramural and extramural data sharing
 - Collaborate with other steering committees (Clinical, Biomarker, ORE)
 - Promote the use of ADRC imaging data (along with the extensive affiliated data already on NACC)
 - Centralize resources related to imaging (recruitment, education, etc.)
 - Have an idea? Please reach out!
