

Imaging Core Session

ADRC Spring
Director's Meeting
May 2, 2023
1:45-3:15pm ET

Imaging Core Steering Committee

2 new members elected every year
3-year term, 1 year chair term
New election coming soon!

2023-24
2024-24

Chair
Past Chair

Co-Chair
Chair

Co-Chair

Emily Rogalski
2020 – 2025

Ann Cohen
Pittsburgh
2022 – 2025

Shannon Risacher
Indiana
2022 – 2027

Trey Hedden
Mt Sinai
2023 – 2026

Thank you !!

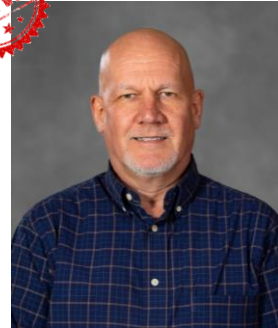

Sterling Johnson
Wisconsin
2020 – 2024

Beth Mormino
Stanford
2020 – 2024

Renaud La Joie
UCSF
2024 – 2027

Mark Lowe
Cleveland Clinic
2024 – 2027

Election
Coming
Soon!

Sam Lockhart
Wake Forest
2023 – 2024

Imaging Core Steering Committee Activities

Monthly meetings (with NIA and NACC)

Agenda for the Spring Imaging Core Session

Provide feedback to NACC, NIA, and Core leaders to improve interactions among centers and the ADRC program as a whole

Collaborate with SCAN, NACC, & CLARiTI

Set 1-3 annual goals

Historical & Current Goals

- 2020, 2021, 2022
 - Understand site needs and barriers related to imaging
 - Support SCAN start up & integration
- 2023-2024
 - Coordinate with SCAN/NACC on intramural and extramural data sharing
 - Collaborate with other steering committees (e.g., Clinical, Biomarker, ORE)
 - Promote the use of ADRC imaging data (along with the extensive affiliated data already on NACC)
 - Centralize resources related to imaging (recruitment, education, etc.)

Imaging Core Steering Committee Activities

Monthly meetings (with NIA and NACC)

Agenda for the Spring Imaging Core Session

Provide feedback to NACC, NIA, and Core leaders to improve interactions among centers and the ADRC program as a whole

Collaborate with SCAN, NACC, & CLARiTI

Set 1-3 annual goals

Upcoming Goals

- 2024-2025
 - Support CLARiTI start up & integration
 - Coordinate with SCAN/NACC on intramural and extramural data sharing and promote use of data
 - Collaborate with other steering committees, including potential White paper on imaging and biomarkers in new era of treatments
 - Promote ADRC NIC findings at AAIC
 - Have an idea? Please reach out! We will be huddling at the reception come find us!

IMAGING CORE SESSION

2024 Hybrid Spring ADRC Meeting
Monday, May 6

9:50 - 10:05am CT

15min

Imaging Core Steering Committee Updates

Ann Cohen, PhD
University of Pittsburgh ADRC

Emily Rogalski, PhD
University of Chicago

10:05 - 10:15am CT

10min

SCAN Updates

William Jagust, MD
University of California, Berkeley

10:15 - 10:25am CT

10min

CLARiTI Updates

Sterling Johnson, PhD
Wisconsin ADRC

10:25 - 11:20am CT

55min

Leveraging Clinical & Research Imaging Data in a New Era of AD Treatments and Increased Engagement of Diverse Populations

Shannon Risacher, PhD
Indiana University ADRC

Gil Rabinovici, MD
UCSF ADRC

Adam Brickman, PhD
Columbia University ADRC

Duygu Tosun, PhD
UCSF
