Livestream:

The screenshot shows the Hubilo livestream interface. At the top, there are navigation icons for Agenda, Join a Session, People, and Networking Room. The main video player displays a sunset over the ocean. Below the video, there is a reaction bar with various emoji icons and a 'cc' button for closed captions. To the right of the video, there is a sidebar with tabs for 'This Session' and 'Event'. Under 'This Session', there are icons for Live Chat, Polls, Q&A, and Attendees. A green box highlights the Live Chat icon, and a green arrow points to it from a callout box. Another green box highlights the reaction bar, with a green arrow pointing to it from a callout box. A third green box highlights the 'cc' button, with a green arrow pointing to it from a callout box. A fourth green box highlights the 'Live Chat' tab in the sidebar, with a green arrow pointing to it from a callout box.

Recorded streams will be available for viewing after live session has ended.

Live Chat: Share thoughts, congratulations, or hellos for other attendees to see.

Polls: Create polls for fellow attendees to respond to.

Q&A: Ask questions to be fielded by a moderator for live answers from speakers.

Attendees: See which attendees are watching the stream with you!

Reaction Bar: Send reactions that other attendees can see or view stream in theater mode.

To add closed captions click on the "cc" button in the bottom right hand corner.
